Carpenters Striking In Wage Dispute

Working True Ends After 7 Weeks; Jobs Shut Down in Area

Carpenters affiliated with two of the biggest union councils in southern Illinois and the only major trades workers still without new contracts were on strike yesterday after two negotiating sessions earlier this week ended without progress toward a settlement of wage issues.

The strike, called by the Carpenters District Council of Madison County and the Tri-Carpenters Illinois District of Carpenters, was the second in a week of a shutdown of the construction job at St. Elizabeth Hospital and construction work at the A. O. Smith Corp. plant, and the first effective strike of other construction jobs under way by contractors who are members of the Southern Illinois Builders Association.

It was the second shutdown of the hospital addition building work since early August. That job was down nearly two weeks in mid-August when Ironworkers and Sheet Metal Workers struck in support of new contract demands. The carpenters placed pickets at the hospital and at the A. O. Smith project early yesterday, and workers of other jobs refused to cross the picket lines.

Ends Working True

The strike by carpenters and other trades workers of contractors by officials of the two big carpenter councils to negotiate a new working agreement with our striking. While the ironworkers and cement finishers were on strike last month, the carpenters continued working on jobs where no picket lines were established by the other unions. The two councils have more than 10,000 members in 12-county area of southern Illinois, including Madison and St. Clair.

A union spokesman said he was unable to estimate the number of workers off their jobs today, since many carpenters are still working on projects contracted by firms not affiliated with SIBA.

Negotiations between the SIBA and major crafts unions have been under way since Aug. 1 when the old contracts expired. The Laborers district council approved a new contract yesterday, but the ironworkers and cement finishers rejected SIBA offers and struck for nearly three weeks before settling on new terms.

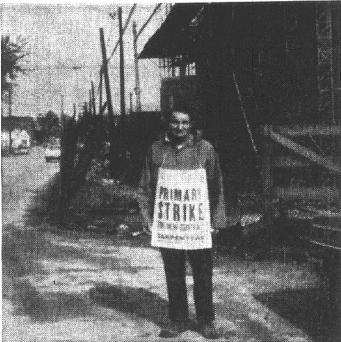

In early negotiations, SIBA offered the carpenters wage increases totaling \$2.25 over a four-year period. The union accepted the demand, but for \$3.45 per hour over three years, plus whatever additional may have been granted the iron workers.

Ironworkers Settle

The ironworkers eventually settled for \$2.85 per hour over three years. An offer of \$2.40 over three years made by SIBA to the carpenters was voted down by the membership.

A union spokesman said today that SIBA is still standing.

Eight Persons Injured In Area Traffic Crashes

Injuries were suffered by eight persons in six of 23 traffic accidents occurring in the Quad-Cities area this week. John Ebbinghaus II, 21, of 2147 Grand Avenue, and William Detwiler, 37, of 2609 Stratford Lane, suffered minor injuries when their autos collided at the intersection of the competition two days ago with the statement he no longer was seeking the appointment.

Four Auto Accidents

James Cook, 32, of 2316 Elm Avenue, complained of pains after his auto was involved in a four-car crash at 3:55 p.m. Monday on Route 3 at the A. O. Smith plant.

The accident occurred as the rain continued through the night. Skies didn't clear until yesterday.

The two-car, railcar, 2.76-inches-inches with only .06 inch short of the total normal fall of 2.76 inches for all of the month of September. This week's rainfall total was 5.29 inches, or 2.32 inches more than the normal for the month.

Rain began falling in mid-afternoon Monday and fell steadily throughout the night, ending with a total of .37 by 4 a.m. Tuesday.

Another 2.33 inches fell as the rain continued throughout Tuesday and into the night. Skies didn't clear until yesterday.

Rain has fallen this month on Sept. 2, recorded at .46 inch; on Sept. 4, with .50 inch; Sept. 5, .26 inch; and on Sept. 7, with 1.33 inch. A light fall of .11 inch was recorded Sept. 11.

Location Changed for Briefing Poll Judges

A briefing session for election judges who will serve in St. Elizabeth, Madison, and a second Granite City will be held Saturday morning at the YMCA in Granite City instead of the senior high school as announced earlier. County Clerk Eulalia Hotz said today.

The one-hour school in which election routine will be outlined will start at 3:30 p.m. and conclude about 4:30 p.m., Miss Hotz said.

Smith Named To U.S. Senate

Native Granite Cityan Appointed by Ogilvie As Dirksen Successor

From Springfield

Ralph T. Smith, a native Granite Cityan, was selected by the Illinois House for two terms, became a U.S. Senator yesterday by appointment of Gov. Ogilvie.

Smith's selection as the

governor's choice to fill the Senate

vacancy was announced in an 11 a.m. press conference at Springfield in which the governor said he believed that Senator Smith would prove a worthy successor to the late Senator Dirksen.

While Smith became the first

area resident in 30 years to

hold the House Speaker's post

when he was elected to that of

Speaker of the Senate, he is the first

native Quad-Cityan ever to serve

as U.S. Senator.

The governor's announcement

climaxmed ten days of spirited

speculation in Republican

circles over the governor's

choice in a move to fill the

post. Smith's most formidable

opponent was Atty. Gen.

George F. Sauer.

Smith's appointment was

the result of a vote of the

Senate yesterday.

In announcing Smith's

selection, the governor said he

had been awaiting a decision

from the Senate to ward off

the threat of a filibuster.

Smith's immediate takeover

of his new senatorial duties was

expected to be delayed by

the need for a special session

of the Senate to consider

the proposed budget.

He then added:

"For 15 years, Ralph Smith

has been an outstanding legislator

and great friend in both

the General Assembly and in

the Republican Party.

He fulfills Tradition.

"In addition, this appointment

provides a geographical balance

to the state's representation

in the Senate.

"He is a demanding, uncompromising and uncompromising legislator, following in the footsteps of Edward M. Dirksen, a challenge of added dimensions."

Smith is confident that Ralph

Smith will be a worthy successor to that most

distinguished and memorable

American, Everett Dirksen."

GC Stalls Sewer Rebuilding Job — Lacks Funds

Council Orders Review Of Finances in Effort To Find \$100-\$200,000

Granite City council members postponed action on two "very close" bids — both cost-plus — for the reconstruction of the 1,300-foot Lynch Avenue sanitary sewer line, pending a close study of finances to try to find sufficient funds.

During the monthly financial review from Comptroller Stevens during Monday's night's council session, the mayor and aldermen found no funds available to cover the \$100,000-to-\$200,000 project.

Major Partney told the Press-Record the sewer breaks already to pumping and cleaning operations, was estimated at \$25,000.

Estimate of damage to Madison's 84-inch sewer line, which broke near the city pumping station on the Granite City Army Depot grounds, remains at \$120,000 but it is not reported to the Granite City police until it was found.

Madison police received a call from a resident of the 800 block of Alton Avenue who reported that two boys jumped into the car and fled between houses.

Police were told that another car apparently had chased the first car and had what appeared to be guns sticking out of windows. A 1969 Ford sedan car left before police arrived.

Police had Votava's car towed to a garage where the license number disclosed the name of the owner. Votava, a GC Steel employee, was notified of the plan.

Meanwhile, a Madison officer learned the identity of one of the two boys. They were spotted driving a Granite City car around the block before being taken into custody.

After Votava's car was recovered, the owner noticed that a brown wallet which he had locked in the glove compartment was missing. It contained \$150. Identification cards and papers. He first believed that two payroll checks were missing, but they were found later in the car by the owner.

Upon being advised, the owner was taken to the submarine "Trigger," which was lost in the Far East near the end of world war II.

John Votava, 21, of St. Louis, was taken to the Compton family and to the Compton family and to this community.

Police Nab Two Youths For Theft of Car off Lot

Two Granite City youths, both 16, were arrested after they abandoned a stolen car in the middle of the street in Madison.

According to the police, the youths had left the engine running and the headlights turned on.

The auto, a 1969 model owned

by Louis Votava of Collingswood,

was taken from the Granite City Steel Co. parking lot at 10th street. It was not reported to the Granite City police until it was found.

Area Employment Gains, But Down From Year Ago

Thirty-seven nonmanufacturing firms reported 4,810 employees in July this year, up 1,32 workers over January's work force of 3,491 for May 1968.

The latest breakdown, for July, shows \$35,466 gross from the county's sales tax, up 10 percent from \$32,976 in January. The county's sales tax income, however, decreased from \$1,000 in January to \$700 in July.

Employment in the Quad-City area rose seasonally by 750 during the six-month period ending in mid-July, but lagged behind manufacturing, led by a year-to-year gain of 1,000 in July.

Yearly figures include \$29,558 for the last quarter of 1968, \$146,613 in 1969, \$145,071 in 1961, \$163,187 in 1962, \$176,619 in 1963, \$174,704 in 1964, \$197,715 in 1965, \$208,973 in 1966, \$235,017 in 1967 and the \$338,372 in 1968.

Auditions Oct. 6 for Hospital Benefit Show

"There's No Business Like Show Business . . ." and area residents are invited to discover any truth to the song title by attending the auditions Oct. 6 for "Fractured Follies," a professionally produced variety show to be given Oct. 24-25 by St. Elizabeth Hospital Auxiliary.

Mrs. Marie Hoelscher, talent director for the show, in preparation, mailed letters this week to area organizations and individuals inviting their participation. She stressed, however, that any One-Cesan interested in amateur theatricals is invited to attend the "Talent Night" audition.

Auditions will take place 8 to 10 p.m. Monday, Oct. 6, at Tony's restaurant, 3200 Nampaoki road. Specialty acts, comedy routines, dancers and singers are needed for the two-night performance, to be staged in the auditorium of Granite City High School.

At a meeting of the auxiliary's show committee Tuesday night, Dr. Felicia D. Koch reported progress for the sale of tickets to individuals who will be designated patrons of the fund-raising event.

Certificates Given Agency Board Members

Board members of the 19 agencies of the Tri-Cities Area United Fund were honored in a recognition ceremony Monday afternoon at the YMCA during which they were urged to give full support to next week's United Fund Fair at the Wilson Park pavilion.

Certificates were presented to about 120 individuals by Carl Mathias, chairman of the UF agencies activities committee, and there were brief remarks by H. D. Karandjeff, UF board chairman, and Mrs. Birger, this year's campaign chairman.

The certificates were citations for community services in recognition of outstanding achievement in serving the human needs of the local community.

Precinct 20 Poll

The

polling place for Granite City Precinct 20 next Tuesday's Con-Con delegates primary election will be located at Washington school on West 20th street, it was announced yesterday by Supervisor Nelson Hagnauer.

**Luders Agency to
Occupy New Offices**

The Luders Agency will occupy new office quarters No. 12, Namoki Village shopping center. On Oct. 1, it was announced this week by James M. Henderson of the real estate and insurance firm's staff.

Present offices are located at 1924 Madison.

The agency's telephone numbers will remain the same, as will the firm's mailing address, P.O. Box 755, Granite City, Henderson said.

Two Autos Collide

Two cars, driven by Wende Farrell, 2312 Clark avenue, and Everett H. Dennis, 2802 Dogwood wood drive, were involved in an accident at 11:25 a.m. Tuesday at 1316 Niedringhaus avenue.

Proclamation

WHEREAS, people everywhere, young and old, hope and pray for the day when World Peace will come about, and

WHEREAS, our space achievements are dramatically making us conscious of the fact that we are in reality but one country, and

WHEREAS, the destructiveness of modern weapons of war and the many common problems we share make it imperative for mankind to live together as one community, and

WHEREAS, the members of the Baha'i Faith of the county of Madison are joining in the national observance of World Peace Day, which this year is dedicated to the youth of the world,

NOW THEREFORE, I, the mayor of the city of Granite City, do hereby proclaim Sunday, Sept. 21, as "World Peace Day" in the fervent hope that the youth and adults in this city will be motivated to develop within themselves the attributes necessary for the attainment of peace and unity first in their local communities and eventually in the world community.

Air Medal Award For Copter Pilot W/O Bourbon

A Granite City helicopter pilot has been awarded the Air Medal for active participation in more than 25 aerial missions over hostile territory during a 14-day period which started only one week after his arrival in South Vietnam.

Chief Warrant Officer 2 David A. Bourbon, 22, son of Mr. and Mrs. Arthur C. Bourbon, 2435 Waterman avenue,

Radiological Monitoring Course to Start Oct. 8

A radiological monitoring course will be offered by the Granite City civil defense corps starting Wednesday, Oct. 8, at the CD headquarters building, 1411 Nineteenth street, it was announced.

The eight-week instruction series will be open to men and women, 18 and older, with a high school education. Classes will take place evenings, preceded by optional advance training and refresher seminars, usually given twice-yearly.

Granite City civil defense corps has 40 qualified monitors, with at least 60 additional monitoring personnel required, Harold Mayfield, assistant CD director and training officer reported.

Trained monitors took part in a special training drill last weekend in Wilson Park, along with Auxiliary Police officers and other members of the CD staff.

Primarily designed as refresher training for monitoring teams, the exercises also were geared to test equipment used for the training to radiological plotters and analysts in the GC emergency operations center.

Cobalt 60, a radioactive source, was used to simulate radiation during the exercises, Mayfield explained. All monitoring personnel was equipped with personal dosimeter, an instrument which measures radiation dosage received during exposure.

Individual Records

Records on each monitor are kept throughout their training period and during subsequent exercises, Mayfield said. The individual records are submitted to the radiological plotters and analysts in the GC emergency operations center.

Pilot of a Cobra helicopter with 27th Air Cavalry Division, the monitor is home-stationed at Ban Me Thud.

The area, noted as a border zone in the Vietnam conflict, is situated to the Cambodian border.

Optimist club members will deliver the trophies to the successful entrants, the chairman said. Twenty members of the men's service group will assist McDonald in operating the race project.

Leaves Curbs, Hits Auto

An auto driven by Eloise Etherington, 2308 Benton street, who was pulling away from the curb, struck the rear of the auto of Vernon Jenkins, 2249 Benton, about 8:30 a.m. Jenkins was parked in front of his home at 7:25 p.m. Monday.

arrived in Phan Thiet, Vietnam, last March 20. The award cites him for sustained aerial flight in support of combat ground forces during the period April 3 to April 17.

Pilot of a Cobra helicopter with 27th Air Cavalry Division, the monitor is home-stationed at Ban Me Thud.

The area, noted as a border zone in the Vietnam conflict, is situated to the Cambodian border.

Optimist club members will deliver the trophies to the successful entrants, the chairman said. Twenty members of the men's service group will assist McDonald in operating the race project.

At the conclusion of the two-day Fun Fair on Sunday evening, results of all races will be tabulated and the winning time in each category posted.

Optimist club members will deliver the trophies to the successful entrants, the chairman said. Twenty members of the men's service group will assist McDonald in operating the race project.

The club is accompanying the Air Cavalry in part.

By direction of the President, the Air Medal is presented to C. W. Warrant Officer David A. Bourbon, 22, of Alton, Illinois, for exceptionally meritorious achievement, distinguished himself by meritorious achievement, while participating in sustained aerial flight, in support of combat ground forces in the Republic of Vietnam.

"During the period April 3 to April 17, 1969, he actively participated in more than 25 aerial flights over hostile territory in support of operations against Communist aggression. During all of these flights, he displayed the highest order of air discipline and acted in accordance with the best traditions of the service."

"By his determination to accomplish his mission, in spite of the odds inherent in repeated aerial flights over hostile territory, and his outstanding degree of professionalism and devotion to duty, he has brought credit upon himself, his organization and the United States," the citation read.

A 1965 graduate of Granite City high school, WO Bourbon joined the Army in June 1967. He trained at Great Falls Base in Killeen, Tex., and received his commission and wings after advanced flight instruction at Hunter Air Force Base in Savannah, Ga., on July 29, 1968.

Visitors were introduced, among them the state legislative chairman, who urged the group to support the bill.

A talk on the Yule United Fund was approved and an educational program was conducted by Mrs. Claxton. A recording of "White Cliffs of Dover" was played, a quiz and discussion followed.

Games were played and Mrs. Delores Milton was winner of a prize. Others present whom Delores Milton was seen with were Shirley Long, Millie Cottrell, Norma Abenroth, Betty Dick and Sandy Cavar. The next meeting will be held in the Cavar home, 1 Del Rio drive.

CONTRIBUTIONS VOTED BY JR. SERVICE CLUB

The Granite City Junior Service club met Monday evening at the Civil Defense building. Audrey Jaroas presided, with 24 members.

It was noted that a school pupil was sent to be fitted for eyeglasses at the club's expense.

Contributions were made to the Cancer Society, United Fund and Cystic Fibrosis Foundation.

The Nameoki-Ponduon Little League team sponsored by the Junior Service club won first place this year and the club will purchase individual trophies for each team, was reported.

The club will sponsor a flea market Oct. 25 at Fourth and Madison avenue, Madison, it was voted.

It was pointed out that a Junior Club Federation luncheon scheduled to be held at the Lake of the Seven Pines Restaurant had been changed to the Mill Gate Inn, Saturday at 11 p.m.

The club had planned a "date night" with husbands to attend, in October. The group will attend a hockey game in St. Louis and will go out to dinner afterward.

The homemaker article for Monday's meeting, an assortment of jellies, was brought by Mrs. Rena James and was given to Mrs. Carolyn Thomsburg.

Next PTA meeting will be Tuesday, Oct. 21 at 7:30 p.m. in the Frohardt gym.

Care of Heart Is B&PW Topic

The Granite City Business and Professional Women's Club met with members in a dinner meeting last night at the Rose Bowl.

Mrs. Verna Lengel was program chairman, with Mrs. Mary Batson as co-chairman for the "Personal Development" program. Mrs. Marie M. Jones was guest speaker, introduced by Mrs. Lengel.

Mrs. Jones' topic was "Know Your Heart." She pointed out that for a good diet and the dangers of overeating, the need for exercise, the need for frequent checkups and the danger of smoking.

Mrs. Emily Alford, president, called the meeting to order. Mrs. Frances Lynch and Mrs. Carlson led the pledge to the flag and the club collect.

Eager GC Hosts Powerful Decatur

The football Warriors will be-
lately open their season against
strong Stephen Decatur high
school of Decatur at 8 p.m. Fri-
day at the Granite City high
school field.

The originally scheduled open-
er with Belleville Althoff last
week was canceled because
school was not in session due
to a work stoppage by the
teachers.

Since then it has been entirely
dropped from the schedule,
leaving the Warriors' Con-
ference contests, Sept. 26-Nov.
7 and two non-league games—
Decatur and Quincy (Oct. 31).

The Warrior coaching staff
was diminished by the work
stoppage. "Now we are down
to one," Wayne Williams said
early this week, "that I finally
have a full staff it's been rain-
ing and the players still have
not received the individual at-
tention they need."

Then he added, "But we
want to play football."

With the improved weather,
he hopes that all the desired
preseason preparations can be
completed.

A senior fullback Jetterman,
Jim Greenwald, missed two
weeks of practice because of a
broken nose and will not be a
starter. He may play in the lat-
ter portion of tomorrow's game.

Williams plans to alternate
seniors Don Haddix (5-8, 144
pounds) and Mark Lagatos

(5-10, 148) at the left offensive
end position in order to send
information to senior Quarter-
back Dave Evans (5-11, 178).
Other probable starters on of-
fense are center Tom Golde
(Senior, 5-8, 174), right guard
Frank Melchic (senior, 5-10,
178), left guard Mark Riggs
and Don McFetrich (senior, 5-10,
178), left tackle Rich "Jude" Moon
(junior, 6-2, 210), right end Jeff
Menzel (junior, 5-11, 180), full-
back Dave Metzler (senior, 6-1,
175).

The Warrior starting de-
fense unit is likely to be:
Tom Long (senior, 5-9, 195), left tackle Ramey
Rutherford (senior, 5-9, 195), right
tackle Mark Mizeriks (junior,
6-1, 235), left guard King Gandy
(junior, 5-11, 175), left corner-
back Dave Metzler (senior, 6-1,
178), right corner back Stan
Stagner (junior, 5-10, 168), left
safeties Don Harris (junior, 5-13,
134) and right safety Dan
Suzich (senior, 5-9, 196).

Decatur last week, employing
a shotgun style offense, defeated
cross-town rival Decatur
MacArthur high school 24-6 with
three touchdowns and three two-
point conversions. MacArthur's

total gain was only 80 yards.
Stephen Decatur's probable
offensive starting lineup will be:
left end Bill Brown, 175 pounds,
left tackle Mark Cappinger 210,
left guard Tom Bell 175, right
guard Alan Kelly 170, right guard Ty
McMillian 190, right tackle John
Rhodes 210, right end Marty
Easterling 205, quarterback Cliff
Evans 170 and fullback Ron Tay-
lor, 175 pounds.

Although Williams has high
hopes for his new offense and
defense, he has a less suc-
cessful record as Wood River var-
sity grid coach, he notes that
"unfortunately, this may be the
Southwestern Conference's strn
S-1 this year."

Alton and East St. Louis have
been ranked with the best in the
state, and Belleville West also
is well regarded.

Warrior Offense

The "pro set" replaces a
GCHS double-wing offense and
it is expected to prove more de-
ceptive to enemy teams on run-
ning plays. It also facilitates
passing.

With conditioning and tum-
bling have been problems, Wil-
liams is impressed by the War-
riors' "real good hitting."

Although having been
mentored in baseball, the term
"hitting" is considered
complimentary because it usually
is associated with a good
team not only ready to play but
ready to win.

By PRESS-RECORD Staff Photographer

ARE THEY READY? Mike Wilson, a junior, is shown carrying the ball in this Warrior intra-squad game won by the seniors, 14-0. But the competition will be interscholastic and potentially more challenging beginning tomorrow.

Small, Speedy Rosary Visits MHS

The football Warriors will host the
Rosary Rebels of St. Louis at 7:30 p.m. Friday at the Madison
high school field.

During the week, Trojans edged
O'Fallon, 13-12, in avenge-
pounding of a year ago, when
O'Fallon was a 27-0 victor. Can
history repeat itself tomorrow
night?

The Rebels blanked Madison
25-0 last season, and the Tro-
jans would like to turn the
tables once again. But a come-
back similar to that of the
Warrior game may not be as
simple.

Trojan Coach Al Vonder Haar
commented this week, "Rosary
is a good team, but we are
not as good as we were last
year."

Consistent Throughout

"They don't let down in the
holes, and it wasn't the same
fellow all the time. Different

players missed the holes several
times."

Boyz Out, Ackers Ready

During the game, Trojan
Harold Boyd's nose was broken
and he is hospitalized this week.

The cramping lower legs of
Vander Haar's Ackers, which
forced him to be inactive for
several series of downs, have
been diagnosed as a salt de-
ficiency in his diet. Salt tablets
have been prescribed.

Rosary Coach Larry Shayne
will be depended on to 265-
pound tackle Mike Porzell, to
anchor the line both on offense
and defense.

Other returning Rebel letter-
men include: Mike Boehm
and Drew Nager, center; Gary
Perotti; halfbacks, Mark Hene-
ly, Tom Rupp, and Ron Sten-
son; and fullback, Mike Obrect.

SALTY PARKER LEAGUE CHAMPS. Cochrane Real Estate, with a 10-3 record, took the title in GC park district Atom Division 7-9-year-old boys' league. Front row, left to right—Benny Brown, Ray Stewart, Drew Schultz, Danny Harper and Tom Muhl. Standing—Steve Spencer, Jay Hueben, Scott Gardner, Mike Fryntzko, Willy Connolly and Clavo Ohananesian.

Witnesses to Convene
3-Day Session Friday

Organizational arrangements have been completed for a semi-annual circuit convention of Jehovah's Witnesses Friday, Sept. 26, Saturday, Sept. 27. Angelo Scaglione, presiding minister of the local congregation, reports that the religious convention is scheduled to be at the Belle-Clair Convention Building, 200 South Belt East, Belleville.

Launching its golden anniversary year, the National Council of Jehovah's Witnesses, Inc., of America will use golden campfire flames as the theme of a major recruiting effort which is starting this month. The week of Sept. 26 will be highlighted by unit "branding campfires" in cub packs, scout troops and explorer posts.

Unit leaders, wives, committee members and scouts will assemble from throughout the council at 7:30 p.m. Friday, Sept. 26, at the Central Christian Church, 2020 Johnson road, Granite City, 62040. Registration will be held from 6:30 p.m. on. The program will consist of morning, afternoon and evening sessions of Bible talks, discussions and demonstrations designed to stimulate the member to greater qualification to teach. Theme is "Right Kind of Ministers."

A local resident taking part in the program Friday evening will be Angelo Bruno, Granite City. He will speak on "The Christian Ministry School," which trains ministers in platform speaking and home Bible study work. The school is conducted weekly in the congregation.

Also taking part Friday evening will be Angelo Scaglione, presiding minister of the local congregation, who will speak on "Building Heart Appreciation Within the Family."

Baptism and ordination of new members is set for Saturday morning.

J. R. Rollin Baugh, president of the Granite Municipal is the scout executive. William Schindel is commissioner and Dr. Stanley F. Maer is organization and extension chairman.

2000 New Registrations

It is estimated that approximately 2000 new members will join the council this fall. The youngest eligible to join are about eight years of age, or the 10th grade of school, and some remain scouts or explorers throughout their teen years.

Progress in the fall roundup will be among the topics of a national council executive board dinner at 6:30 p.m. Thursday, Sept. 25, at the Round Table restaurant.

The annual fall conclave of the Order of the Arrow, honor camping society, is set for tomorrow through Sunday at Camp Sunnen, the council's new camp near Potosi, Mo. Over 100 are expected to take part.

Fitness Camporee

With a physical fitness theme, the fall council camporee will be Oct. 3-5 at the Cahokia Mound State Park.

Emphasis will be placed on aiding the United Fund during October, and the council's Sunn Rangers and their families are to participate in a walk-a-thon from 10 a.m. to 4 p.m. Saturday, Oct. 11, to tour the camp and hear jamboree and summer camp reports.

Univac (Quad-City) district instruction plans include Boy Scout training for six weekly sessions at 7:30 p.m. Sept. 24 to Oct. 29 at Central Christian Church, den leader workshop Oct. 13 at St. John's United Church of Christ; and cub training at 7:30 p.m. Oct. 6, 13, 20 and 27 at Central Christian.

The councilmaster is set for Oct. 13 at the Mitchell parish hall, district meeting Oct. 9 at First Granite City National Bank and cub leader roundtable Oct. 14 at the Mitchell parish hall.

Taking part in the closing will be John Camp of Madison, who will summarize a study of the Watchtower magazine.

Open council meetings

beginning with a meeting at 6:45 p.m. Friday. No admission will be charged and collections will not be taken. During the three days, services at Kingdom Hall, 2822 Palmer, avenue, will be conducted.

Candidate for
Con-Con Delegate
Urges Home Rule

Lucien Ringier, former mayor and council member of Wood River and one of eight candidates seeking nomination to the Illinois Constitutional Convention in next Monday's election, indicated yesterday in a pre-election statement his support of more expansive home rule for municipalities.

Ringier declared that an delegate should be one who will work for a revised constitution that meets the needs of the people and will receive voter approval. A good program, he said, will depend upon the voters' capital choice of delegates and if they, the voters, effectively and actively participate in the decision making through their delegates.

He said municipalities today are frustrated at every step of their orderly development by the restrictions of their powers as written in the present "outmoded constitution."

Ringier noted that "there are many powers that could be granted to local governments, perhaps in some cases be granted with the legislature retaining power to withdraw privileges . . . and that enabling interest rates should be established with today's needs and provisions made for adjustments in the future."

Restrictions should be removed on capital improvements in cities and villages that are financially sound and are the desires of the people. Sales tax and motor fuel tax monies collected by the state should be returned to cities and villages as quickly as possible for their investment and to be used as they see fit so long as it is in the scope of their power.

"Cities today can function successfully independently and still remain creatures of the state," Ringier noted. "Thirty-five states today have home rule of one form or another and have proven it works."

Nameoki, Mitchell Protestant Welfare Aids Affected by U.S. Fund Cuts--Price

Cong. Marion Price said today he will support an amendment to the Public Works appropriation bill to restore cuts in funds vital to the success of the national water pollution control program.

Many construction projects in Illinois, several in St. Clair and Madison counties, will be stopped unless Congress passes the bill to restore cuts originally budgeted, Price said. He said his efforts to cut the funds to implement the Clean Water Restoration Act passed by Congress in 1966 as serious a failure.

Price said that under the promised budget for this fiscal year, Illinois should receive more than \$35,000,000, but under the proposed administration budget-cutting, the state would receive \$9,200,000.

Projects in the 18th Congressional District which would be affected include Nameoki, Mitchell, Bethalto, Collinsville, Wood Heights in Madison county and Macouca in St. Clair county, Price reported. In identifying the seven projects, Price said the estimated cost is over \$1.3 million, with approximately \$1.3 million of this in federal funds.

Rev. Clair Clark gave the

in addition to the projects for which applications have been prepared, a number of other communities are expected to explore the clean water programs. They include Granite City, Roxana and Wood River in Madison county, in St. Clair county, Du Quoin, Sesser and St. Louis are probable applicants, Price said.

"Water pollution is one of the major problems facing the country," the legislator commented. "Effort to do something about it has been sadly lagging. Both Congress and the White House must honor their commitment to improve the quality of the nation's environments. Water and pollution have reached crisis proportions."

"Illinois alone, only 25% of the funds actually needed have been allocated since passage of

How to perk up a summer-weary lawn!

This is the time of year when every lawn needs reviving. Best way we know is to feed it TURF BUILDER, the fertilizer that helps grass multiply itself. It goes right to work building thicker, greener, sturdier turf. Strengthens grass roots, too, so your lawn will "winter" better. Clean, lightweight. Easy to handle. Use it any time, any weather. Will not burn grass or harm grass seed.

Ever wish you had a better kind of grass?

Now there's an easy way—just seed with WINDSOR, the new improved variety of Kentucky bluegrass. WINDSOR has become popular for lawns and golf courses because the grass is unusually attractive and hard wearing. Grows especially thick and luxuriant, yet it never needs pampering. WINDSOR thrives in summer heat, and when damaged has the ability to repair itself.

BIRTHDAY SALE

In honor of Mr. Ben Gold's Birthday we are putting on a sale for 2 weeks, the likes you have never seen. Mr. Ben Gold has been with Fredman Brothers Furniture Co. for 26 years. He is the father of two daughters, Lois and Martha. Mrs. Gold is employed at Waldman Mercantile. Ben was born in Canada where he lived until 1939. He then went to Chicago for 3 months. After leaving Chicago he came to St. Louis where he was employed at Famous-Barr and Bush Selzer Diesel Engine Co. Then he started working for Fredman Bros. Furn. Co. in East St. Louis, and after closing the East St. Louis Store he worked in the Collinsville store for 3 years. After 3 years he came to the Granite City Store where he has been for the past 23 years. Come in and browse through our vast selection of home furnishings, outstanding values, excellent taste and fashion freshness at all price levels! All items in the store on all 3 floors have been reduced in honor of Mr. Gold's Birthday celebration. Yes, the reduced prices are good on special ordered merchandise.

Save up to 50% on carpet remnants, over 50 pieces to choose from in choice of colors, free padding to fit carpeting.

Newcomers Aid
Tiny Tim School

The Granite City Newcomers Club held a monthly meeting Monday night at Bert's Chuck Wagon, approving a charitable contribution and reviewing fall plans.

Mrs. Anna Robertson was honored as the club's newest member. The club was welcomed by Mrs. Betty Schuster, president. Reports were given by Mrs. Helen Rios and Mrs. Shirley Van Meter.

Mrs. Schuster announced that Mrs. Phyllis Bills will complete the year as cheer captain; as Mrs. Edna Harter has moved out of this area.

The bowling chairman, Mrs. Rios, told of the Newcomers League, which is open to all club members. Teams bowl on Tuesdays, mornings at Tri-Mor Bowl, and there are still openings for additions.

Mrs. Barbara Ramsey, chairman of the many couples' bowling section, announced that the next party will be Saturday, Sept. 20, at Tri-Mor.

The bridge group met yesterday and the couple's bridge gathering will be Saturday, Sept. 27.

Mrs. Irene Buyer, chairman of the club's tables at "charity days" held at the Nameoki Village shopping center, reported a complete success.

She also noted that the sewing and knitting group will meet at her home tomorrow.

Club members voted to donate \$100 to the local "tiny" school, located at Central Christian Church and sponsored by the Easter Seal Society. A check for \$100 will be presented to the school for any supplies needed to help outfit the new classroom and equipment.

Mrs. Shirley Morrison, chairman of the Christmas party, led a discussion on possible places to hold the party. Tent plans were completed for the couple's party to be held Dec. 19 at Fisher's in Belleville.

The social chairman, Mrs. Pat Kalips, reported on a style show to be held at the club on Aug. 23. The annual silver tea will be held at her home, 3231 Erin drive, Saturday, Oct. 18, from 2 to 4 p.m.

Other members reported on the "Fun Fair" sponsored by the United Fund, and distributed tickets for the fair to sell at 50 cents each.

The evening's program was awarded to Mrs. Anna Robertson. She received an automobile emergency kit to stress the evening's theme of "Safety."

The program consisted of several films on safety, furnished by the Bell telephone system. Five aid charts were distributed.

MRS. CHAPPEE IS
CIRCLE TWO HOSTESS

Mrs. Hayden Chappée, 4069 Mayville road, was named Circle Two of Five United Presbyterian Church Tuesday.

This was the first meeting of the season and 13 were present. The Fellowship of the Least Coin service was conducted by Mrs. Ernest Vehi, Henderson, and Mrs. Ernest Vehi had the Year Book of Prayer.

Mrs. George Holtzschke conducted the business session and presented the lesson on "Christianity."

The next meeting will be with Mrs. Leonard Cuchna, 1617 Lindell bld.

Mr. and Mrs. William Bruns
Observe 50th Anniversary

Mr. and Mrs. William Bruns of Rural Route One observed the 50th anniversary of their marriage with an open house this week at their home. The couple and previous enter- sive relatives and friends at a buffet reception at Fischer's restaurant in Belleville.

Mr. and Mrs. Bruns were married Sept. 11, 1919, at St. John's Evangelical Church.

BETA ETA CHAPTER
HOLDS FIRST MEETING

Beta Eta Chapter of Delta Kappa Gamma opened its season at the Flaming Pit restaurant, Edwardsville, this week with Miss Marguerite Connole, a teacher at Madison junior high school, presiding.

Two new members welcomed were Miss Rogera Davis of Granite City and Mrs. Marilyn Jean Horn of Madison. Also joining the members were ten guests from Gamma Upsilon Chapter of the honorary society, including chapter president, Mrs. Sylvia Ackerlund of Edwardsville.

After a brief business session, the group was entertained with color slides and a talk by Mrs. Pat Huber of the St. Louis Visitors Center, and Mrs. Polson gave a brief history of Rotary.

Mrs. Homer Huber, a member of the local group for the longest time, was presented with a gift from the club and plans were made for the regular meeting of the season to be held Oct. 6 at the farm home of Mr. and Mrs. Edward Horn near Edwardsville.

Miss Anna Marie Horn of Granite City offered the club collect, and Mrs. Marilyn Weider of Edwardsville was in charge of the program.

Miss Audra Deeren of Troy, soprano, sang "Autumn Leaves" and later led group singing. Techniques of flower arranging using fall leaves and flowers, were presented by Shirley Slobowski.

In the business session, a report on the Northeast Regional convention in Wilmington, Del., was given by Nelle Hart of Granite City and Eva Renfro of Edwardsville.

Plans were made for the next meeting to be held in St. Louis, followed with a tour of the De Menie Mansion.

MRS. WETTON NAMED
CIRCLE THREE CHAIRMAN

Mrs. Anna Mae Wetton was named new chairman of Circle Three of First United Presbyterian Church. She was elected at the fall meeting Tuesday at the church.

Hostesses, Mrs. Louis Meek and Mrs. Nettie Conary, served refreshments to 14 members.

Mrs. Virginia Ricketts and the Young Book Club, and the Fellowship of the Least Coin and the Bible study was given by Mrs. Mabel Clark and Mrs. Meek.

Rotary Ann
Plan Meeting

Carl Mathias, chairman, and Mrs. John Polson, co-chairman, entertained the Rotary Ann at a party Tuesday evening in the Mathias home, 34 Old Towne Drive.

After a brief business session, the group was entertained with color slides and a talk by Mrs. Pat Huber of the St. Louis Visitors Center, and Mrs. Polson gave a brief history of Rotary.

Mrs. Homer Huber, a member of the local group for the longest time, was presented with a gift from the club and plans were made for the regular meeting of the season to be held Oct. 6 at the farm home of Mr. and Mrs. Edward Horn near Edwardsville.

Thurs., Sept. 18, 1969

A two-cent increase in the Venice school district's 1969-70 tax levy for educational purposes has added \$7125 to the district's levy authorized two weeks ago at a special meeting. The change was approved by the Venice board of education at its regular session Monday night.

Board members authorized the increase to conform with a new state ruling which permits school districts to raise the tax levy from four cents per \$100 assessed valuation for special education.

The additional two-cent levy puts the Venice district's 1969-70 tax levy at \$81,632 or \$52,246 over last year. The levy is based on \$1,579,995 in budgeted, up \$290,670 over 1968-69.

Deficit Renovation Budgeting

A proposed amendment to the previously adopted 1969-70 school budget to include \$17,905 for repairs and renovations projects in the Venice schools required under the state Life Safety Code, was deferred after lengthy discussion.

Priorities to comply with the new state fire safety code, submitted by the Venice superintendent of public instruction were changed somewhat, Supt. John O. Pier said. He proposed that the majority of the repair and renovation work, mostly at Venice high school, will be performed over a five year period.

The Venice board authorized a new five-cent tax levy this year to perform work required under the state code, with the levy expected to produce \$17,814.

School Atty. Lawrence Hartman said that amending the budget at this date would delay filing past next year's deadline. He explained the district would have to follow the same procedure as with the original budget to amend the amendment figures for 3.5 cents and conducting a public hearing prior to its adoption.

It was agreed not to change the budget figures after Hartman noted that current tax rates of 37.5 cents per \$100 in the building fund and five cents under the Life Safety Code were at the taxing limit.

No Referendum Decision

No decision was reached Wednesday concerning a vote when the Venice school district will seek referendum approval of a 40-cent tax levy increase in the educational fund. At an earlier meeting, the board indicated it will tax increase will be sought this year.

If approved, the increase could be included in this year's tax levy certified to the county clerk for collection by the end of next year. Due date for filing that levy is Dec. 31, it was said.

An increase in the educational fund rate will be the only means of avoiding a continuation of the deficit in the school district's deficit, since expenditures now exceed all potential income, particularly in the education fund, the board reported earlier.

Supt. Pier said last month that a student debt could accumulate within the next few years unless more tax income is made available.

He noted that the Venice district is now in the final year of its current teachers' salary agreement and that a new salary schedule will have to be negotiated next year, with substantial salary increases a certainty.

Second Tax Allocation

A second payment of the 1968-69 tax money, amounting to \$25,721, was received last week by School Treasurer Donald Phillips, it was reported.

Amounts apportioned to various district funds from the total were: \$138,840, educational program; \$39,371, transportation; \$6640, principal retirement fund; \$17,205, bonds and interest; \$3337, cash fund; and \$1138, junior college fund.

Balances in the district's activity and revolving funds were reported as \$1256 and \$3209, respectively.

By resolution, the board transferred \$39,377 from the building fund to working cash as repayment, and returned \$15,000 from working cash to the building fund.

The school board renewed its agreement to participate in Special Education District, Region One, with the Granite City and Madison school systems.

Data Processing

Supt. Pier reported that pro-

visions have been made in the 1969-70 budget of state-of-the-art data processing equipment for the Lincoln Technical Center for processing training and welding.

Both programs are expected to start early next year. A proposed printing shop program may be cut sharply or eliminated, he said.

Tentative permission was granted the Venice Athletic Club to schedule basketball practice sessions in the Venice-Lincoln gymnasium from 7 to 9:30 p.m. on Tuesdays and

Thursdays. An application form must be submitted by the club prior to formal agreement.

Several board members indicated they will attend a dinner session to follow a workshop sessions to take place at 6:30 p.m. Wednesday, Sept. 24, at SIU-SW. The program is being co-sponsored by SIU-SW and the Southwestern Division of the Illinois Association of School Boards, Supt. Pier said.

Council Members Ease Attendance Regulations

Additional excused absences with pay will be allowed Granite City aldermen under an ordinance adopted by the council Monday night.

The ordinance is based on a change in state regulations approved during the last session of the state legislature. It permits an excused absence in case of emergency, temporary change in the alderman's work schedule which affects the alderman's private employment or good cause.

Alderman Baskaroff said he was advised the new state law was designed for shift workers in industrial communities. Boker called for a legal interpretation of "temporary change in alderman's work schedule."

"He added, 'I hope no one abuses this temporary provision.'"

Alderman Barasich pointed out that shift work could be determined as a temporary change, "because an alderman who works shifts has no control over this."

Both Pier and Nonn said they switch off with co-workers to be present on Monday nights.

Pier said he goes up Sundays on many occasions and and Dolan said he frequently has lost four hours pay to attend council meetings when working the 3 to 11 p.m. shift. "I've taken off because I feel it's necessary," he said.

Both Pier and Nonn said this law will benefit them.

Nonn suggested that an alderman's pay, while based on meeting attendance, does not cover the work he does in his ward during the week, at nights and on weekends. "We've never claimed pay for special meetings."

The new ordinance was approved by vote of 14-2, with Alderman Rutledge and Jarrett voting "no." Those in favor of the bill were Nonn, Whitmer, Barasich, Boy, Dallas, Meier, Parney, Robertson, Poulos, Green, Dawes, Morlen, Schuler and Boker.

Tax Deductions for Flood Loss Explained

As a result of the President's declaration on Aug. 30, certain fiscal year taxpayers may deduct their losses as a result of flooding or damage from flooding on Aug. 26, 1969, on their 1969 income tax returns. Fiscal year taxpayers are those whose tax years end on the last day of a month other than Dec. 31.

Illinois counties determined by the Office of Emergency Preparedness to be emergency areas are Alexander, Calhoun, Clinton, Henderson, Jackson, Jersey, Jo Daviess, Madison, Monroe, Pike, Putnam, Randolph, St. Clair, St. Clair and Union.

Illinois counties determined by the Office of Emergency Preparedness to be emergency areas are Alexander, Calhoun, Clinton, Henderson, Jackson, Jersey, Jo Daviess, Madison, Monroe, Pike, Putnam, Randolph, St. Clair, St. Clair and Union.

By law, individuals who suffered losses from heavy rains and flooding may be deducted on their 1969 tax returns. The deduction occurs after the end of the tax year but before the due date for the return.

Since the heavy rains and flooding came after April 15, calendar year taxpayers may deduct their losses on 1968 returns. However, their losses may be deducted when returns for 1969 are filed.

Qualifying taxpayers who already filed their returns may claim their losses by filing amended return Form 1040-X or Claim Form 843 within three months from the due date of their return.

Physically disabled taxpayers may deduct their losses by filing amended return Form 1040-X or Claim Form 843 within three months from the due date of their return.

Taxpayers suffering losses should prepare proof of their losses and retain records and information substantiating the amounts claimed.

Non-business casualty loss deductions are limited to the amount over \$100 for each casualty.

Publication 547, "Tax Information on Floods, Casualty Losses and Theft," describes procedures for claiming casualty losses. Free copies may be obtained by sending a postcard to Publications, Post Office Box 1468, Springfield, Ill. 62705.

Council Approves Study of Clean Air Enforcement

City council members completed Monday night with a request of Granite City Air Pollution Control Commission and authorized a \$2000 expenditure for an in-depth study of Granite City's local clean air enforcement program.

The council also went along with a committee suggestion that the air control board be authorized to retain the firm of Ryckman, Edgerly & Tomlinson of St. Louis, engineering specialists in the air pollution field.

In addition, council members authorized Park Engr. Heesch, the board's technical secretary, to employ part time assistance at a rate of \$6 per hour.

8 Ski Trips Planned This Winter by Club

Concerned citizens interested in skiing are invited to attend the first meeting of the St. Louis Ski Club at 8:30 p.m. Friday in the Colonial Hotel, 7730 Bonanza road, Alton.

Eight ski trips planned for the winter season will offer skiing at Aspen, Alta, Jackson Hole and Valley, according to club representative Randy Bohmeyer. Further information may be obtained by calling HA 8-1330.

Productions are limited to the amount over \$100 for each casualty.

CHURCH TO CONDUCT
BUS SERVICE SURVEY

Members of the Emmanuel Baptist Church, 1800 Pontoon road, will conduct a transportation survey Saturday and Sunday. Surveyors who will be identifying lapel cards, will visit homes in an area bordered by Wabash avenue and Maryville road on the east and west, and Miracle and Dan drive on the north and south.

The purpose, according to Rev. Vernon Covington, pastor, is to locate persons who would be interested in being served by the new bus ministry of the church.

The church will begin its bus to this area on Sunday morning, Sept. 28. The bus will be driven by licensed adults who will be available to anyone. A schedule will be set up as soon as the results of the survey have been made. Rev. R. Lewis, Mr. James H. Scott, Kenneth C. James, C. B. Scott will be in charge.

PREBESYTERIAN CIRCLE
ELECTS OFFICERS

Officers for the coming season were elected Tuesday evening at the first formal meeting of the First United Presbyterian Church in the home of Mrs. Alfred Page, 2606 Edison avenue.

They include: Mrs. James Fox, general chairman; planning department chairmen; Mrs. Frank Miller, election; Mrs. William Jeffers, study; Mrs. David John, missions; Mrs. Barbara Miller, secretary-treasurer. Mrs. Jeffers is the retiring chairman.

The Fellowship of the Least Coin was given by Mrs. Henley, and the Year Book of Prayer by Mrs. Fox. Mrs. Eunice Sharp presented the lesson on "Christianity."

The October meeting will be at Mrs. John C. 4062 Sara street, where we were present at Tuesday's meeting.

5-Ton Load Limit Set At 13th, Rhodes Sts.

A 5-ton load limit at 13th and Rhodes was established Monday night by Granite City council members with approval of an ordinance setting fines of \$5 to \$100 for violators.

Alderman Nunn said the limit is needed to prevent damage to the unimproved streets by vehicles from Dennis' Macrae Industrial Park.

Alderman Robertson requested preparation of an ordinance establishing a 5-ton limit on Circle drive from Nameoki drive to 28th street and from 27th place to Nameoki drive. He said the ordinance would not completely block off Reeves Avenue Co. ready-mix trucks and is needed to preserve the street.

Objection was raised by Alderman Boker, who said that for the firm's trucks to travel in that area, and I know what I'm talking about. It would be dangerous for children playing in yards if those large trucks was an alternative.

He was answered by Alderman Green, who said the children now play in the streets and should be allowed to travel on the firm's trucks to travel to Nameoki drive. "I grew up in that area, and I know what I'm talking about. It would be dangerous for children playing in yards if those large trucks was an alternative."

He asked that the ordinance prohibit the travel between 7 p.m. and 7 a.m. by "heavy trucks" but did not set a weight limit.

Route 203 Accident

Car and truck, Alvin Wilson, Jr. of St. Louis and Alice Shubish, 1025 Iowa street, Madison, were damaged in an accident at 8:35 p.m. Monday at Route 203 and Bend road. Wilson's car and the truck he was stopped at the traffic signal and was struck from the rear. Shubish said his car skidded over pavement when he tried to stop.

Ballet Classes Set at YMCA

Charles Haase, YMCA youth director, announced today that a ballet program for girls will begin on Oct. 7 and 8 and will be conducted by Miss Erie Mills.

The first session begins Oct. 7 through Jan. 28th for 14 sessions and will cost \$17.50 for "Y" members and \$20 for non-members. The second semester will be conducted from Feb. 3 through April 29 for 12 sessions at a fee of \$15 for "Y" members and \$18 for non-members.

Mrs. Erie Mills, director, will be in charge of the dance program, assisted by Miss Erie Mills.

The classes will be divided into two sections so that each person, child or adult, will receive instruction from both teachers on a rotating basis.

Miss Mills, a junior at Granite City high school, has appeared in 1963 and 1966 in the Little Miss Illinois pageant. For the past two summers she has attended the National Music Camp in Interlochen, Mich., where she has appeared as a soloist in musical comedy and opera production. In addition to appearing as a dancer-singer actress, she also plays the clarinet.

Registrations will be taken at the "Y" until Tuesday, Sept. 30.

Jr. Volunteers Plan Car Wash and Dance

Charles Jackson, president of the Junior Volunteer Auxiliary of St. Elizabeth Hospital, presided at the units' meeting of Saturday at the Tri-Cor building to make tentative plans for a car wash on Saturday, Sept. 20.

Also announced were plans for Thanksgiving Eve, Nov. 26, to be given on Nov. 26 in the 20th year of Tri-Cor Bowling lanes. This dance is being sponsored by D. W. W. Bowers for the candy strippers and their dates.

Hostesses for the meeting were Rita Black, Linda Cox, Debi Bunch and Lynn Whaley, and prizes were won by Charles Jackson and Karen Mishell.

Others attending were Fred Leiberman, Robert Morgan, Sharon McLaughlin, Paulette Howard, Mary Bush, Pam Carson, Connie Edwards, Carol Garrison, Janice O'Brien, Phyllis Morris, Shirley Taylor, Mary Nagel, Lynn Whaley, Dennis Morgan, Brenda McClelland and Alma Cassy; Mrs. Louis Sedlick, volunteer director, and Mrs. Bernice De Rousse, Pink Lady.

'Push Cart' Derby Registration to End

Registration will close on Saturday for the "Venice Push-Cart Derby" set for 3 p.m. Saturday, Sept. 27, at St. Mark's school yard.

Forms for registration must be turned in to the Venice police station prior to the Saturday day. Sponsors are the Venice Fire Department, Venice Fire Department, and the Venice Lion's Club.

To be eligible, a registrant must be a grade school student and resident of Venice.

Harmonica Virtuoso To Play at SIU-SW

Harmonica virtuoso Larry Lillard will open the Artist-Lecture series at SIU-SW campus with a concert Saturday, Sept. 27, at 8:15 p.m. in the Music Room of the University Center. He will be accompanied by Drew Shaw at the piano.

A veteran of 20 years on the lecture circuit, Lillard is recognized as a harmonica concert artist and has performed with leading symphony orchestras in the U. S. and abroad.

Books may be Rented Now at Local Campus

Students who have enrolled or are planning to enroll for the fall quarter at Southern Illinois University-Southeastern campus are being urged to pick up book rentals early to avoid the last minute rush.

Six and one-half days have been set aside for students to pick up rented books. Students may get books on Friday, Sept. 19, from 8 a.m. through 5 p.m.

Other dates and times are Monday and Tuesday, Sept. 22-23, 8 a.m. to 5 p.m.; Wednesday, Sept. 24, 8 a.m. to 2:30 p.m.; Friday, Sept. 26, 8 a.m. to 5 p.m.; Saturday, Sept. 27, 8 a.m. to 10 p.m.

Students must have their No. fee-paid card in order to get rental books.

Classes begin Wednesday, Sept. 20, at 8 a.m. The first full day of classes will be Thursday, Sept. 25. The book rental office is located in the basement of the Lovelace Library.

Book rentals for the fall quarter of 1967 totaled 27,000 volumes. For the same period in 1968 the total jumped to 35,000.

Books to be rented this fall quarter, said B. D. Hudgens, director of business services which administers the book rental program.

Clubs Under Way At Venice High; Officers Named

By DEBORAH FECHTE

Negotiations have been opened by Southern Illinois University's Museum with the Republic of Panama for the right to salvage archaeological, ethnographic and cultural materials in that country. The negotiations are being conducted by Dr. Michael J. Hendrick, Museum acting director.

Hendrick visited Panama this summer, finding officials of both the government and the University, especially the latter, highly receptive to the SIU proposal.

"While the question of construction of a new Panama Canal is being held in abeyance by the U. S. and the Panamanian governments," Hendrick said,

Officer of the Future Home-makers of America for the 1969-70 school year are Joan Koehler, president; Kathy Scaturro, first vice-president; Jean McGarran, second vice-president; Annette M. Money, treasurer; Betsy Fields, treasurer; Kim Boeling, degrees; Darling Witz, projects; Linda Szevia, recreation and Arabelle Wooten, public relations.

The annual dress-up day is Sept. 22 at which time all new girls coming into FHA are required to dress in an old skirt that comes below the knee and a blouse with a belt. Girls turned inside out and backwards and two different shoes and socks, hair in pigtail and wearing signs made by members in FHA.

Also announced this week are the officers for GAA. They are:

Gloria Gardner, president; Claudette Watt, vice-president; Deborah Fechte, secretary-treasurer.

The cross country team travels to Mt. Olive tomorrow. The coach is Bill Ohlendorf.

'Micro-Teaching' to be Used at Campus Here

Teaching concept at Southern Illinois University-Southeastern will be called "micro-teaching" which will bridge the gap between the college classroom and practical experience for students. It is being developed by the directors of the project.

Emmett Bechner and Donald Keefe, director and assistant director of the project, are new faculty members at the campus branch of the teacher education program.

Bechner formerly headed a similar program at the University of Illinois.

Bechner, 33, will consist of instant simulations of situations students will encounter the following quarter in student teaching assignments. According to Bechner and Keefe, prospective students will be required to prepare lesson plans and execute these tasks while being filmed on video tape.

Teenagers to Seek \$100,000 in Campaign

A goal of \$100,000 has been set for teenagers in the metropolitan region who will march on Oct. 3, 4 and 5 for St. Jude Children's Research Hospital.

According to Dr. Edward Wagner, regional director, and Dardanelle DeMiere, chairman for the march.

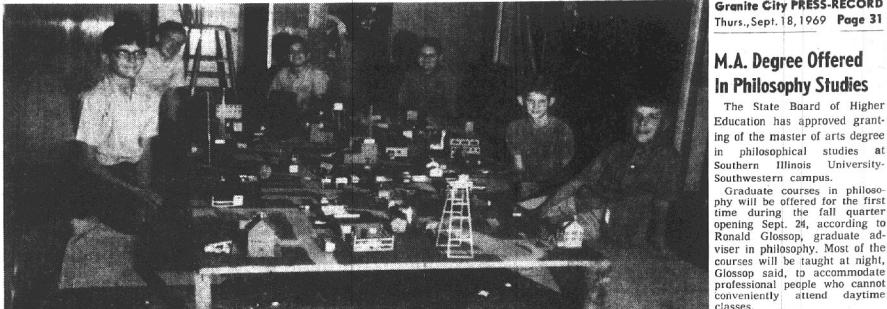

The march is aimed at reaching

more than 500,000 homes in the metropolitan area.

Teenagers in the march will wear Danny Thomas badges for identification.

The success of teenage marches around the country has enabled research teams at St. Jude Hospital to keep an around-the-clock program in operation full time.

BURGONIA, MODEL CITY constructed during the summer by six Granite City boys, including,

Six GC Boys Construct Model City in Summer

Six Granite City boys kept busy constructively during the summer, building a model city.

Using parts of their last names, Burch and DeGonia, they have named their city Burgonia, and, like most progressive areas, it is continuing to grow.

The boys are Steven, 12, Bill, 13, and Terry Burch, 10, sons of Mr. and Mrs. Weldon Burch, 2518 Iowa street; Pat, 11, and Gil DeGonia, 10, sons of Mr. and Mrs. James DeGonia, 2572 Iowa street; and Ron Long, 14, son of Mr. and Mrs. Ralph Long, 2569 Iowa street.

Long and Pat DeGonia have enrolled at Coolidge junior high school; Steve and Bill Burch are in seventh and eighth grades at Central junior high school; Gil DeGonia is in the fourth grade at Sacred Heart and Terry Burch is in the fifth grade at Webster school.

Starting last June after the end of the last school year, the boys went to work in the garage of the Burch home. Working on platforms, they used match

boxes, match sticks, balsa wood and paint.

In addition to homes and stores, the city includes a miniature steel mill (Burgonia Steel Co.), a newspaper, a lumber mill, a hospital, a hot dog stand, a tavern (Jake's joint), a used car lot and a radio station (Wxyz) complete with tower.

Following some of the features of Granite City, the city

also includes a fountain, a miniature device which circulates its own water.

Plans for the future expand

into subdivisions and shopping centers.

The boys are understandably proud of their achievement.

Five of them credit Pat DeGonia as the principal architect,

a profession he hopes to follow into adulthood.

Courses will include Methods of Teaching Philosophy, a two-quarter-hour credit course, time to be arranged; Empiricism, a two-quarter-hour credit course, time to be arranged; and Ethical Theory, a four-quarter-hour course, offered at 4:30 p.m. on Tuesdays and Thursdays.

Mexican Honorary Group To Perform at Fun Fair

The Mexican Honorary Commission of Granite City will present a condensed version of its variety show on Sunday, Sept. 28, during the Tri-Cities Area United "Fun Fair" at the Wilson Park rink-pavilion.

Steve Ortiz, MHS president, announced the plans this week at a meeting of commission members in the Jaycees clubhouse. The performance by local youngsters will be a condensed version of entertainment given at the twice-yearly fests.

The recent "Independence Day" fiesta indicated growing interest.

A guest at this week's monthly business session this week was Steve Edison, president of the International Folklore Federation of Greater St. Louis. He showed slides of the Interna-

tional Summer Festival in St. Louis.

"Magic of Mexico," a movie furnished by Ruben Mendoza, was viewed by members following the meeting.

FORD TORINO with 13 models offering from hot performance to the luxury of the Torino Brougham (above) now on display with other 1970 model Fords at B. E. Hohlt Inc., 1837 Madison avenue.

Mrs. Sabina Killam, 86, Dies; Ill 3 Years

Mrs. Sabina Killam, 86, of 2425 Edison avenue, a 20-year resident of Granite City, died at 4:30 a.m. Tuesday at the Colonades Nursing Home, where she had been a patient since Jan. 1, 1967. She had suffered a stroke three years ago.

Born in Carlinville, Ill., Mrs. Killam had resided in University City, Mo., for many years prior to moving to Granite City.

She was a member of the Third Baptist Church, here. Her husband, Arthur, died in 1936. Surviving are two sisters, Mrs. Mrs. Mabel Mae Lamb both of Granite City, and one brother, John Rhoads of Osceola, Ark.

Funeral arrangements are given in the obituary column.

1970 Fords Go on Display At Local Auto Agency

B. E. Hohlt, commenting on the 1970 Fords, said, "This may be the year of the intermediates," and Torino is our most dramatically designed car. Two-door models have a lower roofline and more rakish front and back windows.

Most of the models have basically unchanged since its introduction in April. Its popular assets remain low purchase price, good performance, economy of operation, and sporty design, the company said.

An automatic release for the two-door safety latch is available on Ford, Torino, Mustang and Thunderbird models. Both front seat-back belts in these are automatically released when either door is opened.

New steering wheels on Ford, Torino, Mustang and Thunderbird models are semi-oval design for easier driver entry and exit and better visibility of the instrument cluster.

GC Council Told, 'Hands Off' Job Assignments

"You are a legislative body, not an administrative body," Mayor Partney advised Granite City council members Monday night when a resolution was submitted for reassignment of George Gallas Jr. to the crime guard post at Frerichs school.

Re-employment of Gallas was recommended by council upon presentation of a report that Gallas has been fitted with new eyeglasses, improving his vision to 20-20.

The mayor said assignment of crime guard posts, with the police department and mayoralty, would be a complete change of policy for the council to start designating job posts. Other aldermen commented that department heads should continue to handle assignment of personnel without direction of the council.

Change to Request

Alderman Schuler, who submitted the resolution, changed the wording to "request" reassignment of Gallas, pointing out he knew the location and the children.

When Gallas was added

Mecca to Press for Details Of State Airport Planning

Renewed efforts to obtain development — in a special legislative session — of state airport planning in the Madison county sector of the metropolitan area were proposed by the Metro-East Chamber of Commerce Monday night after a Mecca official reported his efforts to obtain cooperation from the Illinois Department of Transportation had been rebuffed recently.

Robert W. Yeates, executive director of the Greater Alton Association of Commerce and secretary of Mecca, told the organization that he had been talking for the past eight weeks with Department of Finance officials in Springfield "concerning" the issue "to form the issues" involved in the current federal freeze on allocation of highway funds in Madison and St. Clair county.

Yeates said that the group that Alderman Schuler and he were with, the chamber of commerce, had agreed to support a plan by the Greater Alton Association of Commerce to file mandamus proceedings against the U.S. Department of Justice "to form the issues" involved in the current federal freeze on allocation of highway funds in Madison and St. Clair county.

Harry Leffler, 62, Dies Unexpectedly

Harry L. Leffler, 62, 2161 Lynch avenue, a 43-year employee of Granite City Steel Co. was pronounced dead at St. Elizabeth Hospital at 5:20 p.m. Monday.

He was stricken while shaving at home in preparation to go to work at the steel plant.

Yeates told the members whom he previously had notified of the situation by letter, that he had "firmly expressed the opinion of Mecca" that the chamber of commerce would be willing to discuss the airport with the city.

The Mecca secretary said he also told state officials that a site for a new airport "would be built in our front yard" — we have a right to some information since this airport will dramatically affect all of our office.

Council members also confirmed the appointment of Mrs. Helen Rehnum as book-keeping machine operator in the comptroller's office, replacing Mrs. Helen Shepard, who left to work for the school district. The resolution was adopted for Mrs. Margaret McLester, deputy city clerk, to be covered by the Illinois Municipal Retirement fund.

GC Rotarians Hear Talks on Boy Scouts

William Monical, executive director of the Cahokia Mound Council Boy Scouts of America, and Dave Parrish, scoutmaster for a troop in Granite City, addressed Rotarians Tuesday at the luncheon meeting of the Granite City Rotary Club.

Monical spoke briefly on the Boy Scout program and extended thanks to the club for their efforts in behalf of the Boy Scouts in this area.

Parrish gave a review of the National Boy Scout Jamboree held in July at Farragut, Idaho, attended by 15,000 scouts from the Cahokia Mound Council, among the 30,000 scouts representing 50 states and 40 foreign countries.

Parrish noted the Jamboree "city" was situated in the old Navy Base at Farragut, where the scouts had "boot camp" training, several years ago.

The trip was made by train and visits were made to Seattle where the local troop attended the coronation on the day of their visit at the Worlds Fair site. They also visited Puget Sound and took the boat trip to Vancouver.

The guest speaker said the motto of the jamboree was "Build To Serve" and the main object was for the boys to take care of themselves by setting up camp, checking out food supplies, finding a good place to camp and working with other troops.

The Rotary Club had provided funds for a special boy to attend the jamboree.

John Polson presided over the business meeting with 38 members present. Joe Smith was the program chairman.

Two Cars Damaged

Left end and damage to an auto driven by Michael M. Ozanich, 917 Grand avenue, Madison, and damage to the bumper of the car driven by Dr. Jacob Schermer 1916 Delmar avenue, resulted from a collision at Tenth street and Grand avenue at 5 p.m. Monday, police reported.

Three Auto Accident

While stopped on St. Clair avenue to permit a car to turn onto Myrtle avenue, an auto driven by Bob L. Kyles, 2901 Myrtle, was struck from behind by a taxicab driven by Edward L. Geffney, YMCA, which in turn was struck from behind by a car driven by Raymond E. Duke, 2005 Wilson avenue, at 3:35 p.m. Monday.

Approximately 20 Mecca members meeting in the Flaming Pit restaurant, 1818 State, agreed to support a plan by the Greater Alton Association of Commerce to file mandamus proceedings against the U.S. Department of Justice "to form the issues" involved in the current federal freeze on allocation of highway funds in Madison and St. Clair county.

Declaratory Judgment Proposed in Twp. Case

Marshall H. Smith, civil division chief assistant state's attorney of Madison county, advised the Press-Record Tuesday of his desire to intervene in the suit in which members of the Nameoki township board of auditors are suing Nameoki Supervisor Harry Briggs.

He has proposed that both parties that seek a declaratory judgment to establish whether a supervisor should receive both a salary and pay for attending meetings.

A letter by Smith Monday to Township Attorney William Schooley follows:

"I have had several inquiries in regard to the above captioned cause which you filed. Township business, of course, does not come under the state's attorney's office, but we frequently find ourselves in situations of a lot of it, and Mr. Briggs has asked me to look into it."

Interpretation of State Law

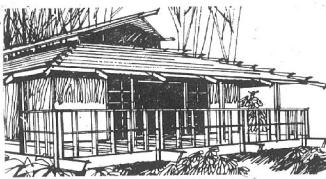

"The suit might make it appear to some people that Mr. Briggs is doing something more than his duty, and I would appreciate it if you would indicate to the press that this is really a question of an interpretation of the applicable statute."

"First, I assume that a lot we would agree that the real question is: Particulars of your complaint is whether or not Section 55 of Chapter 53 allows the electors to set a 'salary,' or does it establish a strict per diem?"

"I am sure that any two lawyers would argue that the meaning of this, and that certainly no moral stigma should attach to anyone caught in the purr wording here."

"With regard to the second part of your complaint, the question revolves around whether or not the supervisor could be paid more a sum than the salary, under Section 55, on the same day that they paid the minister.

1970 Pontiac on Display Now at Hundley Agency

Hundley's Pontiac show room is now displaying a selection of 1970 model automobiles at 18th street and Madison avenue.

Local dealer Tom Hundley said, "Our 1970 models are designed to meet the full range of driving needs of even the most discriminating customer."

All new Pontiacs have side guard door beams built in for added protection. This safety feature consists of a box-like steel beam positioned horizontally within each door plus additional door panel reinforcements.

The concealed radio antenna, previously used by Pontiac on the Grand Prix, will be used on all 1970 Pontiacs. Fabricated in the windshield are two barely visible wires which are not subject to weathering, being bent or broken.

A 345 cubic-inch displacement engine is standard in the Bonneville models and optional on the Catalina, Executive, Grand Prix and GTO.

The standard head restraints have a new side catch designed to fit in a k-type adjustments with one hand easier.

The Tempest, LeMans and GTO have been restyled. The front view reveals the familiar Pontiac split grille while the

Line Alley in Venice To Be Closed 5 Days

Hundley's Pontiac bumper, wraparound parking and side marker lamps and valance panels all have been restyled.

The Grand Prix has a new front-completing the long hood in the industry.

Also available is a rear lamp monitoring system. The driver is able to check the taillights while in motion. The system used fiber optics to transmit light from the lamps to an indicator on the rear shelf.

Two types of rear window defoggers are available—the conventional blower-type or the silent electrically-heated rear window.

Because the entire stretch will be graded to provide a level surface, at least five days will be required to complete the work, Mauser said.

P.O. Orr Awarded Navy Medal for Vietnam Service

Petty Officer 2nd Class Charles W. Orr, son of Mrs. Ruth E. Orr, 100 W. Washington avenue, has been awarded the Navy Commendation Medal with Combat "V" device.

He received the award for meritorious service as yeoman for Communications and Navigation on the Commander Co. Chin River Patrol Group in Vietnam during the period of April 1968 to April 1969.

The citation accompanying the medal read in part—while serving with friendly foreign forces engaged in armed conflict against the North Vietnamese and Viet Cong, commanding a group of men in the Republic of Vietnam, Petty Officer Orr was instrumental in promulgating numerous administrative procedures drafting vital documents and taking correspondence and twice relocating and rearranging the administrative office to fulfill the needs of the rapidly expanding organization.

Or was cited for his duties as a gunner's mate and boat seaman in River Division 59, where he came under intense enemy fire on two occasions.

Kiwanis Club Plans Barbecue for Families

Ed Moore, president of the Granite City Kiwanis Club, presided over the business-dinner meeting Monday evening, at the Rose Bowl, attended by 22 members.

He announced the results of the recent beauty races, an annual project of the club, which drew over 600 people and was termed a success. Ninety percent of the proceeds will be used throughout the year for the club's program in assisting underprivileged children.

The 18-inch television was won by Emily Raymond, 2304 Elm street.

Also discussed were further plans for the family barbecue set for Sept. 21 at Moore's club house, with an expected attendance of 1,000.

Moore announced the program for the next meeting will be presented by the St. Louis police department, serving with the narcotics bureau. His topic will be "Youth and Drugs."

A new member, Fred Reiser of the Certified Welding Co., Granite City, was welcomed.

Other plans were completed for the booth at the Illinois State Fair on Sept. 27-28 at Wilson Park with Norman Hall serving as chairman.

NEWEST OLDSMOBILE is the 1970 Cutlass Supreme Holiday Coupe, designed for personalized sporty luxury. Woodrome Oldsmobile, 19th street and Madison avenue now has the 1970 model cars.

**Thweatt Fined \$50 in
Pistol Whipping Case**

Terry Thweatt of Chouteau, 28th road, Quad-City area hoodlum, pleaded guilty to a charge reduced from aggravated battery to battery Monday in Madison county circuit court at Edwardsville. He was fined \$50 and costs of \$57 by Circuit Judge James O. Moore.

Thweatt was arrested following the pistol whipping of Bobby Wallace, 36, of 4037 Braden avenue, on Dec. 3 at the Carpenters District Council hall on West Chain of Rocks road. The lesser charge is a misdemeanor.

A charge was reduced on agreement between the attorney for Thweatt, Robert Trone, and defense attorney John Gitchoff. Trone told Judge Monroe that Wallace had refused to testify against Thweatt, and under the circumstances, a felony conviction could not be obtained.

The department also with display trophies will be set up in the Wilson Park rink-pavilion.

Special exhibits will be on display of police dog handling by Officers Ralph Parmyer and Richard Wood of the canine patrols on both days. Times for the programs will be announced later.

Chief Tellor, who has invited the Madison and Venice police departments to join in the display, said the booth will feature photographs of crime scenes, types of evidence sent to FBI laboratories and pictures of ten most wanted criminals from the FBI files.

The display will include firearms and a weapon used by a burglar in an attempt to beat down a local pastor who came under intruder's gun.

One or two police officers will be present at the booth to answer questions and to distribute pamphlets on the use of the Red Cross, state highway map and pamphlets provided by the Illinois Bar Association on "What

**Illinois Power Stock
On Midwest Exchange**

The common stock of Illinois Power Co. was listed yesterday on the Midwest Stock Exchange. Ticker symbol is IPC. Listed are 13,340,000 common shares of the electric and gas public utility. Illinois Power provides electric power and gas to many major cities and industrial centers in Illinois outside of Chicago, including the Quad-Cities.

In connection with its listing

on the MSE, President Wended J. Kelley noted that: "Although we have more shareholders in Illinois than in any other state, we do have sizable shareholder concentrations in the West Coast. We are listing on the MSE in addition to our New York Stock Exchange listing to provide greater opportunities for Illinois Power through the Midwest Exchange's securities firm serving these areas."

Previously reported financial data for Illinois Power showed net income of \$31,000,000 for 1967, net income for 1968 was \$33,337,000 compared with \$33,101,000 in 1967. Earnings per share were \$2.43 vs. \$2.41 in 1967.

Previously reported earnings for the six months ended June 30, 1969, were \$112,441,000 vs. \$102,989,000 for the same period in 1968. Income for 1968 was \$21,684,000, compared with \$17,987,000 for the first half of 1968. Per share earnings for the 1969 first half amounted to \$1.55 vs. \$1.40.

Illinois Power is currently awaiting Securities and Exchange Commission approval of its proposed acquisition of the utility system of the Illinois Public Service Co. The company is also continuing discussions with Central Illinois Light Co. for a planned affiliation of that firm with Illinois Power. The company also plans to issue \$35,000,000 of additional first mortgage bonds during the 1969 fourth quarter.

**Smith Replies to
Critics Over TB
Sanitorium Fund**

Marshall H. Smith, Madison county assistant state's attorney who has been criticized for his role in the changes of trust in the operation of the county tuberculosis sanatorium, has replied that the tax rate for the TB fund can be cut in half because of a large surplus.

He said that the TB tax rate of about 10 cents can be cut in half in the 1971 tax bills. He noted that the surplus has reached more than \$1 million over the last five years, claiming that operation in excess of needs leads to tax increases by railroads and industries.

Smith was strongly criticized for his part in replacing the three members of the sanatorium board by George Roberts, Alton township supervisor, after Roberts obtained by two of the new trustees.

In reviewing the situation, Smith said \$300,000 of the fund is earmarked for a new TB sanatorium and another \$350,000 is to be used to convert the current sanitorium into a nursing home.

Smith's attorney said the trustee's feit "was morally wrong to spend the money for other than sanitorium purposes, and he did not question their integrity, but he said they continued to levy unneeded taxes each year."

Smiths said the TB tax funds can be used to convert the sanitorium into a nursing home and then the property could be turned over to the county. A five-acre tract is to be set aside for the new TB clinic.

Law Officers to Meet

The planning committee for the 15th State Accident Prevention Conference will center line and struck the front of a car driven by William M. Augustine's restaurant, Belle Bissell, 2400 Edison avenue, at 5:40 a.m. Tuesday at 15th and State streets. Wilson was a Washington avenue, reported that someone broke the glass out of a rear sliding door at her home on Saturday night.

Personal Property
Assessment Lists For
The Year 1969

Hereupon are the lists of real estate and personal property assessments as made by the Township Assessor of Venice Township, Madison County, Illinois, and submitted to John M. Mucras, County Treasurer and Supervisor of Assessments.

The assessed values shown are subject to audit by the Board of Review and to equalization by the State Department of Revenue. Under provisions of Section 146 of the Illinois Revenue Act of 1958, the Department of Revenue is required to determine the percentage relationships within each county of the assessed value to the estimated full fair cash value.

The Department of Revenue is required to raise or lower the assessed value of any property so that all such property will be assessed at its full cash value. These equalized values then become the base for tax extensions for 1969 taxes payable in 1970. The assessed value is the full fair cash value of the property assessed, based on the assessed value made by the local assessing officials.

This publication, which is made in accordance with Section 584 of the Revenue Act, serves as a public notice to the taxpayers of the County of Madison that the assessed values, fixed upon their property by the aforesaid townships.

Taxpayers who consider their property incorrectly assessed may appear before the board of review and file a complaint in writing within 30 days after publication date or within such time as otherwise provided by Section 585 of the Revenue Act.

Board of Appeals

Family Problems Seminar Sunday

Mrs. Thomas Yates, chairman of the Family Life Committee of the Bensenville United Methodist Church, has invited church members and friends in a discussion of modern day family problems Sunday night.

At a covered dish supper at 6 o'clock in Wesley Hall, community friends are invited to participate, and all families who attend are invited to bring dishes. The cost is \$1.50 per person.

A committee from the Women's Society of Christian Service will furnish drinks and refreshments, arrangements.

The discussions, centering around money, time, communications, marriage and discipline, will be started by the pastor, Rev. Jesse H. Roberts.

Others on the program are Gene Briggs, James Loy, Robert Ashcraft, Mrs. Ralph Wilson and James Jeffries.

The discussion panel to discuss the issues during the final period, and will be moderated by Marvin VanMetre, lay leader.

All young people and adults are invited to participate. Due to the adult and youth discussions, Miss Christy Ashcraft will show a film to the children in another part of the church.

A feature of the seminar will be a discussion of family life.

The Sunday evening program for Sept. 28 will be a contemporary worship led by the youth department of the church.

Variance in Lot Line Ok'd by Appeals Board

Approval or a sure property line variance for a port construction was reported Monday night to Granite City council members by the Zoning Board of Appeals.

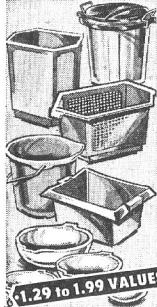

The appeal was made by Edward Stegel, 410 Stegel Avenue, for a carport five feet from the line instead of eight for a 10 x 14 R-1 lot. Held over by the board for more time, the request by Tom Sierke for a house to be built at 2814 State street with a four-foot side yard, instead of seven feet.

Nothing was given out of a special meeting Sept. 30 on a request by G. H. Sternberg Co. for an office addition at 1009 Delmar Avenue to be three feet from the line instead of five.

Amsted Firm Bigger, Stronger Due to Diversification

(Second of four articles on Amsted Industries, parent company of the Amsted Steel Foundries. Today's article traces the beginnings of Amsted's diversification program and its expansion from a firm primarily serving the railroad market to one with products for nearly all segments of the economy.)

A little more than 20 years ago, as the nation was emerging from the dark days of world war II, Amsted Steel Foundries, Inc., of America, Steel Foundries, and the company was almost exclusively a producer of castings for railroad freight cars.

The company's annual report for the fiscal year ended Sept. 30, 1948, noted that of the \$77,000,000 sales total, 37% was accounted for by railway products.

Today, Amsted has annual sales of more than \$260,000,000 and operates 39 plants which span the country. From these plants come an array of industrial components - vital parts which pull conveyors, protect pipes, drill for oil, build homes and factories, move steel beams and carry water into the home.

In fact, there is usually an Amsted product behind, beneath, or in back of nearly every vital machine or service to keep the economy on the go.

Diversification Recalled.
How did this transformation come about?

The story really began in 1950 when Charles C. Jarchow was president and chief executive officer.

Although profits and sales were good, management decided to diversify into other areas beyond the railroad supply industry, a field which historically had been subject to sharp fluctuations in demand.

There was a need for a complement of railroad products, instead, the company wanted to expand on top of this basic business by acquiring companies serving other markets.

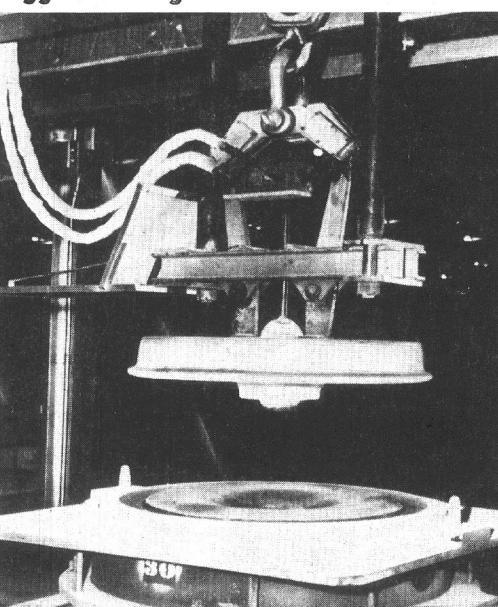

These companies, which would bring in the earnings base, and at the same time contribute to future growth.

In December 1950, the company took its first major step toward diversification.

For nearly \$10,000 in cash, it acquired Diamond Chain Co., an Indianapolis producer of roller chains, a d & sprockets.

Today, Diamond is one of the most well-respected firms employing more than 1000 people.

This company could not have been a better choice for the initial diversification effort. Roller chains had originally

WHITE-HOT WHEEL is lifted from a mold at the Bensenville, Ill., plant of Griffin Wheel Co., an operating unit of Amsted Industries. Amsted, through its Griffin operation, is the largest producer of railroad car wheels in the world. Railroad products accounted for more than \$80,000,000 of the company's sales in fiscal 1968, or 35% of Amsted's total volume of \$233,000,000.

been used for bicycles, but the market had grown, and these chains were used in more than 130 different products.

Today, roller chains are still an excellent barometer of the national economy because of the number of companies that supply them.

Today, roller chains are still an excellent barometer of the national economy because of the number of companies that supply them.

These are found on construction, oil drilling rigs, construction, and farm equipment, vending machines, automotive and truck engines, lawnmowers, escalators and motorcycles . . . to name a few.

Some chains are too heavy for one man to lift, while others are tiny enough to be used in microchips.

Politics for Acquired Firms.

The company's 1951 annual report noted that "the newly acquired subsidiary will operate as a separate corporate entity with its present management." This is a policy Amsted continues to follow as it adds more companies.

With the advent of the Korean War in the early 1950s, the company wanted back into the cast armor business for the government. But this did not halt the move toward expansion into other areas.

In June 1955, Griffin Steel Foundries, Ltd., was organized as a wholly-owned subsidiary to serve the wheel needs of the Canadian railroads.

In January 1955, Pipe Line Service Co. was acquired for cash. This Frankfort Park, Ill., firm is the largest factor in the little publicized, but yet critical import business of steel pipe protection.

Pipe Line Service plants across the nation apply protective coatings to steel pipe used in oil and gas transmission and distribution.

Ways of Protecting Pipelines.

The coatings guard these pipelines against corrosion as they carry oil into metropolitan centers or bring natural gas to homes.

The most frequently used coatings are plastic or bituminous compounds.

However, the company also offers ceramic coatings which are used to protect and anchor offshore pipelines.

During the 1950s, the company also faced a sudden challenge from the railroad wheel market. With the advent of the diesel locomotive, freight trains were moving across the land at faster average speeds, and freight cars were becoming larger and heavier.

Iron wheels, the standard up to that time, were wearing quickly. Tougher steel wheels were needed.

The company's Griffin Wheel operation, which was then the biggest maker of iron wheels in the country, quickly sent its best researchers into the laboratory.

The result was a brand new foundry technique called Controlled Pressure Pouring.

New Steel Casting Process.

With this unique process, molten steel is poured up from a sealed chamber into molds made out of graphite.

Because of the smoothness of the graphite mold, the casting rate at which steel flows into the mold, the result is a steel wheel cast to exceptionally fine finish so good that no costly machining is required.

Three Plead Innocent To Narcotics Charges

Three Belleville area men who were arrested early Sept. 7 on charges of illegal possession of narcotics, pleaded innocent Monday afternoon before Magistrate William Johnson and were released on recognizance bonds pending a jury trial to be set for Oct. 1.

They are Terry W. Peters, 21, and Herrick R. Roberts, 22, both of Belleville, and Lynn D. Schneider, 20, of New Athens. They were arrested at Pontoon and were charged with having possession of marijuanna.

The charge originally was listed as a felony, but Judge Johnson said it was reduced to a misdemeanor under a new law requiring that at least 2.5 grams of marijuanna must be recovered to constitute a felony. The amount was not determined, he added.

The three, believed to be musicians, denied any knowledge of the marijuanna.

Gas Tank Explodes At IPC, \$1500 Damage

Fire caused \$1500 damage at the Illinois Power Co. plant, 22nd and Illinois, at 12:15 p.m. Tuesday in an area where a rack of acetylene and oxygen tanks were stored next to a shed holding a six-inch gas line and regulating valves.

One of the tanks exploded, fire said. The loss amounted to \$1000 to the tanks and \$500 to the building.

Firemen from the city called to the home of David Elmer, 1037 Delmar avenue, at 1:05 p.m. Monday as a toaster caught fire. Damage was estimated at \$100 to the building and \$20 to the contents.

Griffin retained its position of leadership in the railroad wheel field.

Strides had been made in the company's diversification program, but the most rapid period of expansion was just ahead.

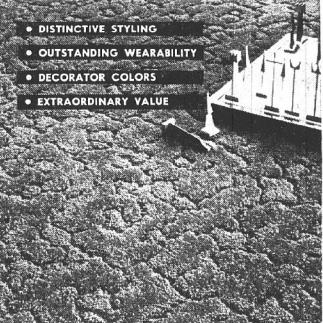

Note: The move to many markets and a new corporate name.

One-Car Accident

Sharon Ruhl, 1511 Second avenue, Police said the Ruhl street, Madison, reported to car was headed north on Madison Avenue when the Tuesday that the right front and driver applied the brakes, causing the rear tires of her car went to skid and jump blown out in an accident at Second and McCambridge.
